

OUT PATIENT SURGERY CENTER

Client: High Pointe Surgery Center

AE/Designer: Mohagen Hansen
Architectural Group

Project Overview: High Pointe Surgery planned a renovation to improve and update their Central Sterilization Area and Operating Rooms. MEC Systems was chosen to provide custom cabinetry that would hold up to continuous disinfecting required for infectious disease prevention.

MEC Cabinets are:

- Moisture Proof
- Stain Resistant
- Chemical Resistant
- Limited Lifetime Warranty
- 100% recyclable
- Made from 30% recycled material
- Impact Resistant
- Solid Polymer
